Tuesdays 9 & 23
3-5pm Soto Complex

Gymnazo

Every Tuesday & Friday
Fellowship Hall @ 10am

SPRING

RAZZLE DAZZLES....

Hello Ladies, welcome to the month of April! Springtime is a time of growth and life, and Coastal Women is going to be doing just that. I am assembling a team to best help run the Women's Ministry at Coastal. We will be doing things differently starting next month. We will be having more service opportunities and while we will still be having a big gathering once a month, this is the time for smaller groups to meet. So, if you would like to run a book club, lead hikes, teach cooking lessons, etc.. let me know. I will add things to the calendar and your contact information. This way we can have more events that provide connections with others with similar interests.

Pickleball

If you are new to Pickleball or have been playing for a while and don't mind helping other to learn, join us for a fun time to gather at the Pickleball Courts every other Tuesday from 3-5pm at the Soto Complex (behind the tennis courts). Parking is available next to the play ground of Elm Street Park. Please bring a pickleball racket and couple of balls. If interested text Julie Wilson 805.481.1101

All church Bingo April 13th 5:30-7pm

Our Children's Ministry will be hosting an all church Bingo event! The goal is to have multi-generational events where our children get to interact and build relationships with the rest of the congregation, thus solidifying their roots as a part of our church community. This is a great event to invite others to as well! RSVP on the website.

Dinner on the 20th at 6pm

This month we will be having a night of fabulous food and fellowship! This will also be the time that we discuss our upcoming new ventures! If you are interested in leading something this is the night you can come with dates and specifics and I can add them on the next month calendar. I also will be getting a tentative headcount for a Women's Retreat at Mt. Herman. Retreats take time and planning so I need to start this discussion now for the Fall.

I truly want to say that I hope to make this Women's Ministry a place where relationships are formed and fostered. Where we can both have fun and at the same time serve the church and community in meaningful ways together. You guys have been so incredible and I am excited to move forward in love and life! A little sneak peak for May, a Cinco De Mayo lunch on the 4th WITH a Salsa lesson for those interested!! And hopefully a baby/child dedication on a Sunday!

Blessings Ladies,
Debbie Fries Minister of Razzle Dazzle
